## **Application under Part 2 (5) (1) of The Neighbourhood Planning (General) Regulations 2012 for the designation of a Neighbourhood Area.**

Padstow Town Council give notice that they wish to make an application under Part 2 (5) (1) of The Neighbourhood Planning (General) Regulations 2012 for the designation of a Neighbourhood Area for The Padstow Parish Neighbourhood Plan.

The application is accompanied in the appendix by a map identifying the area to which the application relates, being the entire parish area of Padstow.

This area is considered appropriate to be designated as a neighbourhood area for the following reasons:

- The parish of Padstow is a distinct area surrounded by sea and has it's own needs in relation to facilities, services and employment.
- The parish will work closely with the neighbouring parish of St Merryn but it was felt the needs of each were diverse and not suited for joint working.

Padstow Town Council is a relevant body for the purposes of section 61G of the 1990 Town and Country Planning Act being the parish councils for the entire area applied for.

Yours sincerely
