Dear Resident,

Important Information Re: Essential Gas Maintenance Work

Road closure at New Street, Padstow

Wales & West Utilities owns, operates and maintains the gas mains and service pipes that deliver gas to the majority of homes and businesses across Wales and South West England. Our contractors Morrison Utility Services will shortly be undertaking maintenance work on our behalf.

Unfortunately, due to the current location of the existing gas main, a road closure has been agreed with Cornwall County Council. This will allow us to complete the works as quickly and efficiently as possible whilst maintaining the safety of road users, pedestrians and the workforce involved in the project.

New Street, Padstow will be closed week commencing 03/02/14 for a period of 3 weeks.

The area will be signposted to identify alternative routes and personnel working at the location will endeavour to maintain access wherever reasonably practicable. Please be assured that residents will be provided with vehicular access as often as possible and pedestrian access will be maintained throughout our programme of works. We've attached a map to show the area affected and all proposed diversion routes.

We regret that these essential works cannot be carried out without causing some disruption and we apologise for any inconvenience we may cause. Your co-operation and patience is much appreciated while we work to make your gas supply safe and secure.

If you have any queries or if you would like to discuss these proposed works, please contact our Customer Enquiry Team on 02920 270653 or email - customer.enquiry@wwutilities.co.uk

Yours faithfully,

Planning Team.
