

Your Cornwall, Your Council

Your Budget

Local solutions for the Council's Budget 2014/18

Your say 2014

You may be aware of the significant budget challenges that Cornwall Council is trying to manage.

By 2018 we will have to make savings totalling £196 million

With such a huge challenge we face the unenviable task of having to decide **where and how to reduce our services or increase income**. To do this we need to hear from our communities, partners and businesses about which services they believe should be a priority.

We will be holding public meetings during October to provide an opportunity for you to hear about our budget challenges and discuss your needs and priorities.

We want as many people as possible to be involved in our budget discussions

The **Wadebridge and Padstow community network** meeting will be held in Wadebridge:

**Thursday 2 October
from 7pm
Town Hall, Wadebridge Town Council,
The Platt, Wadebridge PL27 7AQ**

A full list of public meeting dates is available on our website:
