

Cornwall Local Plan – Strategic Policies

Public Consultation on Focused Changes to the Proposed Submission Document

4th September to 5pm 16th October 2014

The Cornwall Local Plan – Strategic Policies document sets out the main planning policies for Cornwall up to 2030.

Following our consultation earlier this year on the Proposed Submission version, a number of proposed changes have been made to the document.

Please let us know what you think about the focused changes using the response form available at the web address below.

There will be an independent examination of the Plan and all comments made will be submitted to the Inspector.
