

# Reaching Communities Buildings

Thursday 14th May

The Exchange, Wadebridge

---

CRCC are pleased to invite local groups, that are thinking about or are in the process of submitting an application to Big Lottery's Reaching Communities (Buildings), to a series of presentations and workshops that can help you with your application (and some lunch!)

Joining CRCC's team for the day will be **Jenny Fish – Big Lottery's Local Officer, Simon Ryan - a Big Lottery Funding Officer, and Dave Slatter – Director of Access Design & Planning.**

**We will start the day with a presentation from Big Lottery Officers about Reaching Communities including:**

- Overview of the Big Lottery Fund programme
- Common errors made and how to avoid them
- The application process – what is Lottery looking for?  
What does a successful application look like?
- Hear about a local case study

**Delegates will then take part in two Workshops. Pick from the below:**  
(Please provide choices when booking as places are limited)

## Designing Your Community Building

*Dave Slatter, Access Planning & Design Ltd*

- What makes a 'good' building and what makes a 'bad' one?
- What factors influence the design of your building?
- How does the design affect future running costs?
- How do you know what kind and type of community space you need?

## Evidencing Need (Consulting & Engaging)

*Tracey Edwards CRCC Community Planning Manager*

- How do you know your building is needed?
- Who do you need to consult and how do you do it?
- What kind of things should you ask when talking to your community?
- Getting people involved.

## Planning

*James Evans CRCC Planning Officer*

- The process of obtaining planning permission.
- Who are the key consultees?
- The planning process for listed buildings
- Things to consider before you submit your application.

## Managing a sustainable Community Building - Thrive into the Future

*Jon Teague Community Buildings Project Coordinator*

- How to form a productive committee
- Identifying the variables that impact on social, environmental and financial sustainability
- Planning to thrive into the future, not just survive!

---

There will be an opportunity for Q&A and throughout the day the Big Lottery representatives will be available to talk to you about applying.
