

BUILT ENVIRONMENT AND HERITAGE

Built Environment and Heritage

Aim 3. Safeguard and Enhance the Historic Built Environment

Obj.3A Protect historic building and structures from harm

Obj.3B Protect and enhance local green spaces and green infrastructure

Aim 4. Establish the Limits and Preferred Locations for Development

Obj.4A Set preferred development strategy

Obj.4B Define and describe the limits

Aim 5. Establish High Standards of Design and Layout for New Development

Obj.5A Establish sustainable design and layout standards

Obj.5B Ensure new development is well connected

Regarding Built Environment and Heritage use post-its to:

1. **Add comments** on the Working Aims and Objectives above
2. **Identify issues** we should tackle in the Neighbourhood Plan
3. **Suggest planning policies** that would improve the local area and/or may help your business to function better and prosper
