

NATURAL ENVIRONMENT

Natural Environment

Aim 1. Protect the Sensitive Areas of Natural Environment

Obj.1A Ensure coastlines, riverbanks & AONB are adequately protected

Obj.1B Protect and enhance biodiversity

Aim 2. Safeguard the Character of the Local Countryside

Obj.2A Protect habitats and the key landscape characteristics

Obj.2B Facilitate responsible public access and tourism use of the countryside

Obj.2C Support local farming

Regarding Natural Environment, use post-its to:

1. **Add comments** on the Working Aims and Objectives above
2. **Identify issues** we should tackle in the Neighbourhood Plan
3. **Suggest planning policies** that would improve the local area and/or may help your business to function better and prosper
