Police Report

For Padstow Town Council for the period 26/06/2022 – 26/09/2022

Between the above dates there were 121 reported incidents and 47 Crimes.

Research shows there were 14 assaults recorded this being the highest of all categories there was also 3 racially linked crimes and 2 arson crimes the remaining crimes were burglaries, criminal damage, harassment, etc. when you consider this report covers the busiest period of the summer I would suggest the figures are better than expected considering how busy a summer it was. Earlier in the year I reported the neighbourhood team in Wadebridge had increased in number unfortunately I now report that 2 of my colleagues have now moved on one having resigned and the other moved into a researcher role within the force. This leaves Neighbourhood Team Leader PS 6542 Lee Holley 3 Neighbourhood Beat Managers PC 6665 Amy Honeywill PC 379 Alex Allen & PC 6891 Laura Barnden and myself.
