PADSTOW TOWN COUNCIL: 29 NOVEMBER 2022

AGENDA ITEM 11bi: Correspondence: Land use request – Lawns Car Park

This item will be tabled at the meeting as further information/detail is being sort in this matter to assist Council in their decision making.

AGENDA ITEM 11bii: Correspondence: Padstow Museum – Erection of External Notice Board

Padstow Museum has put in a request to place a small display unit similar to the style of our own display board on Station House to advise the public of their opening hours. They outline whilst the roller shutter is ideal for security, with their opening hours displayed on their doors, when these are closed this isn't seen.

This would be to the side of the building overlooking the car park. Council's consideration of this matter is welcomed.

Any considerations the Town Clerk considers should include that:-

- i) ongoing maintenance and care of the display board is the Museum's responsibility;
- ii) that the Council reserve the right to remove the display board if there are any concerns of health and safety or damage to the Council building; and
- iii) it be fitted securely and appropriately respecting the Council building.
- iv) Furthermore, does Council also wish to add that the display board not exceed a certain size?

AGENDA ITEM 11biii: Christmas Festival – Park and Ride Request

The Festival Organiser, Tina Evans contacted the Town Clerk to advise that her request be withdrawn.

AGENDA ITEM 12: Multi-Use Games Area (MUGA) Project Update:

The Town Clerk is awaiting further information on this to provide full update to Council. This should be available for the meeting, when an update will be given.
