CATEGORY 1 MEMORIALS: INSPECTION DATE JUNE 2026

The following memorials failed a Memorial Safety inspection and were found to be a Category 1 risk. This means it was necessary to arrange for temporary safety measures to be applied to the memorial. These safety measures were undertaken by a an appropriately qualified stonemason in a manner proportionate to the danger posed.

For your own safety as well as that of others, please do not attempt to repair a memorial yourself. All works to memorials in Padstow Cemetery, including repairs and removals, must be undertaken by a BRAMM or NAMM qualified stonemason who must have public liability insurance. The relevant Memorial Application Form will need to be submitted for approval before any works commence.
